ARIANNE OLTHAAR

In my work, I portray and document disappearing, hidden and fictional interiors in film, photography and miniature models. I focus on interiors that are in a sense hidden and easily overlooked - such as the remembered interiors from my dreams, a fictional film set by Rainer Werner Fassbinder, the spacious and luxurious state hotels in the former Eastern Bloc in the 1970s and 1980s, or the interiors of dining cars on long-distance trains.
